Regulations for the Dr. Vera Weizmann Prize for Research on Women and Medicine 5784

- 1. Yad Chaim Weizmann will award two prizes in 5784 for outstanding research on women and medicine.
- 2. The prizes, named after the late Dr. Vera Weizmann, commemorate her memory and her work.
- 3. Prizes are awarded with the support of the Weizmann-Mandel Foundation.
- 4. The award aims to support female researchers at the outset of their academic careers, encourage academic excellence, and promote research in Israel on women and medicine in diverse fields in the humanities and social sciences.
- 5. Preference will be shown to studies dealing with local perspectives from a historical or contemporary viewpoint.
- 6. The first prize for an outstanding doctoral dissertation in 5784 awards NIS 25,000. The second prize for outstanding M.A. thesis in 5784 awards NIS

The second prize for outstanding M.A. thesis in 5784 awards NIS 10,000.

- 7. Both prizes are designated for Israeli researchers studying, or who have completed their studies, at a recognized academic institution in Israel or abroad.
- 8. Studies written in Hebrew or English will be accepted.
- 9. Conditions of eligibility conditions for an outstanding doctoral dissertation award:
 - 1. The dissertation was approved within the three years preceding the nomination deadline.
 - 2. The doctoral dissertation has been approved by an accredited academic institution in Israel or abroad.
 - 3. Researchers holding an employment slot at an academic institution in Israel or abroad are not eligible to apply for the prize.
 - 4. The dissertation has not yet been published as a book.
- 10. Conditions of eligibility for an outstanding M.A. thesis:
 - 1. The MA thesis was approved within the three years preceding the last date for submitting the award nomination.
 - 2. The MA thesis was approved by a recognized academic institution in Israel or abroad.
 - 3. Candidates may apply if they are registered for doctoral studies in a recognized research institution in Israel or abroad.
